

Firearm Arrest Early Friday Morning, 25 March, in Rock Hole

Just after 2AM Friday morning, 25 March, the 9-1-1 Communications Centre received a report of two men with a firearm in a vehicle in the vicinity of Rock Hole. Officers quickly responded to the location and saw the vehicle along the way. Officers made attempts to stop the vehicle but it did not yield. While travelling along School Road, one of the men exited the vehicle while it was still running and ran from officers. This man was seen with a firearm in his possession and was therefore pursued by officers. He disposed of the gun during the chase. That man, age 18, of George Town, was apprehended and arrested for possession of an unlicensed firearm. The discarded firearm was later located at the scene of the arrest.

The driver of the vehicle escaped and remains outstanding. The vehicle in which they were travelling in was located and seized by the police.

On Tuesday 29th March, 2016 the man was charged with Possession of an Unlicensed Firearm. He will appear in court tomorrow.
