

Man Charged with Possession of Child Pornography

A man, age 38, of George Town, was charged yesterday with four (4) counts of **Possession of Child Pornography on a computer system** and one (1) count of **Accessing Child Pornography on a computer system**.

These charges follow a lengthy investigation coordinated among various departments within the RCIPS. The man was arrested in October 2015, and he is currently on Police bail; he is set to appear in court on 8 March 2016 on these charges.
