

Man Involved in High-Speed Chase Eliminated as Robbery Suspect

After reviewing all information available, detectives have concluded that the man involved in a high-speed chase with officers last Thursday night, 7 April, was not involved in the attempted robbery at the Smugglers' Rum Bar.

Officers pursued the dirt bike over 11 miles on Thursday night after spotting it along Harbor Drive after the attempted armed robbery took place at Smugglers Rum Bar. The rider refused to stop and the chase ended in a collision between the dirt bike and a police car.

The man, age 20, was seriously injured and is currently in Florida receiving treatment.
