

Serious MVA on North Church Street in George Town Last Night, 6 April

Just before 10PM last night, 6 April, the 9-1-1 Communications Centre received a call regarding a single-vehicle accident on North Church Street. A white Honda Civic with three persons on board had been heading into central George Town when it veered across the street and ran into an abandoned house at 127 North Church Street (next to the Da Fish Shack restaurant).

The driver exited the vehicle and left the scene before police arrived. The two passengers, both male juveniles, sustained serious but not life threatening injuries, and were transported to Cayman Islands Hospital via ambulance. They are currently in stable condition awaiting surgery.

We are asking that the driver of the vehicle, who we suspect is also injured, to obtain necessary medical treatment immediately, and turn himself in to police.

Anyone with information about this accident **or the whereabouts of the driver of this vehicle** is asked to call the **Traffic Management Unit** at **946-6254**. Anonymous tips can be provided via the Miami-based call centre of Crime Stoppers at 800-8477(TIPS), or online at the link : <https://www.tipsubmit.com/WebTips.aspx?AgencyID=681> .
